Bajirao Mastani torrent description Bajirao Mastani is a historical film based on the life of the Maratha Empire ruler Bajirao I. Bajirao Mastani movie opens in the 17th century India when the Mughal Empire is in decline and Maratha Empire rules the entire northern India. The Marathas are at the peak of their power. The Sultan of Delhi acknowledges their suzerainty and the Mughals pay them tribute. Shahid Kapoor plays the character of Bajirao, the great Maratha emperor. He loves Rangayati (Deepika Padukone) and she loves him. When the emperor returns from his wars, his friend Dharmraj calls him to the palace. In the palace, the emperor discovers that Rangayati is cheating on him. That leads to a quarrel and a battle between Bajirao and Dharmraj. Bajirao is the underdog in the battle, but the little-known warrior eventually wins. Bajirao and Rangayati marry and live together in peace.
